1. Cut face out of contrasting fabric. Place body pattern onto body fabric and mark where face should be. Iron face onto right side of body fabric using fusible web or glue in place.
2. Draw face on using permanent fabric markers.
3. Zigzag around face.
4. Cut body pattern out of freezer paper, and iron onto wrong side of body fabric, positioning face in correct spot. Right sides together, sew around body template. Leave open for turning and stuffing where indicated on pattern.
5. Cut out leaving a ¼" seam allowance. Clip curves, turn and stuff.
6. Sew opening closed.
